

Dear Father Albert and Members of the Family Life Committee, February 12, 2017
The World Marriage Day Celebration at Saint Thomas Aquinas was a wonderful event for many couples in our community. Many thanks, Father Albert, for the special blessings you gave us at the Saturday mass. Thereafter, we were treated to a most joyous party with the theme "A Night in Paris". We started with a champagne toast, followed by a delicious dinner with wine, and fun on the dance floor. The decorations placed our mood and spirit into Paris with a tall lighted Eifel Tower in the middle of the dance floor, and Parisian Cafés with canopies lining the wall. No detail was too small, even our napkins were imprinted with the Eifel Tower. A "Café de Paris" setting for pictures and many door prizes added to the event.

Thanks to all the committee members who worked so hard and diligently to make this such a special and memorable celebration. God bless all of you!

Thankfully yours,
Kathleen Eugster
